MASSACHUSETTS BIOTECHNOLOGY COUNCIL

\* The matrix includes a broad sampling of state business assistance programs, but it is not a comprehensive listing.

Indicates programs that are available through the \$1 billion Massachusetts Life Sciences Initiative. The programs are administered by a quasi-public agency, the Massachusetts Life Sciences Center.

Indicates programs that are administered by a variety of state and quasi-public agencies such as MassDevelopment, Massachusetts Office of Business Development, and Division of Career Services. Some tax treatments noted are available "by right" and require no application.
