

Membership Mixer *Sponsorship Opportunities*

Sponsorship Overview

With COVID-19 restrictions lifted, MassBio is excited to announce the return of our in-person networking events!

Held at MassBio and at locations across the state, MassBio's Mixers provide members with a relaxed environment where they can meet other life sciences professionals and grow their networks.

Supporting MassBio Mixers helps companies grow their visibility in the #1 life sciences ecosystem in the world. Each sponsorship includes:

- Onsite event branding
- Acknowledgement in marketing collateral, on the MassBio.org event calendar, and event promotion across MassBio's digital platforms
- Opportunity to provide giveaway item
