Sponsorship Overview

Held at MassBio and at locations across the state, MassBio’s Mixers provide members an informal, relaxed environment where they can meet other life sciences professionals and grow their networks.

Supporting MassBio Mixers helps companies grow visibility in the #1 life sciences ecosystem in the world. Each sponsorship includes:

- Onsite event branding
- Acknowledgement in marketing collateral, on the MassBio.org event calendar, and event promotion across MassBio’s digital platforms
- Opportunity to provide giveaway items
