

MassBioEdge Supplier Diversity Program

About MassBio

MassBio's mission is to advance Massachusetts; leadership in the life sciences to grow the industry, add value to the healthcare system, and improve patient lives. We represent the premier global life sciences and healthcare hub, with 1,400+ members dedicated to preventing, treating, and curing diseases through transformative science and technology that brings value and hope to patients.

About Supplier Diversity

MassBio has created a unique platform to facilitate connections between our membership and diverse suppliers through the Supplier Diversity Program.

Supplier diversity programs increase competition, customer service, and economic opportunities for Under-Represented Groups. MassBio is leading the charge to increase diversity throughout the life science industry by creating, building and maintaining a database of diverse companies.
