

INTRODUCING

RevHR

Enhanced Benefits for Life Sciences

RevHR is a revolutionary HR business solution program **specially designed for the life sciences industry**, offering best-in-class HR administration, employee benefits, multiple plan options, and a competitive cost structure.

Why RevHR?

This plan was built specifically to benefit life sciences companies.

Aggregation with other life sciences companies gives more buying power.

Multiple plan options.

Robust technology platform for enrollment, eligibility, and billing.

HR administration for fast-growing companies.

Enhanced Benefits for Life Sciences

RevHR is the **only service of its kind** in the New England market that is created with life sciences companies and their employees in mind. By combining the powers of AlphaStaff and Marsh McLennan Agency, RevHR provides a one-stop shop for your human capital management and employee benefits needs.
