The holidays are coming a little early this year! Sign up now to be a sponsor for MassBio's most anticipated mixer of the year - our 2023 Annual Holiday Party.

With a turnout of over 600 attendees last year, our mixers represent a vast pool of potential clients, collaborators, and influencers. As a sponsor, you have the unique opportunity to unlock new business prospects, strengthen existing relationships, and extend your brand's reach within the life science ecosystem.

Sponsorships start at \$5,000 and provide:

- Brand visibility on MassBio.org event page, pre-event collateral, and on-site signage
- Option for an exhibitor table on site
